

Itineraries by bicycle in Piedmont

5 DAYS PROGRAM

Days 1-2: Roero's vineyards

Transfer by coach from the International Airport to Roero, accommodation in agriturismo. A stay in Roero, one of the most interesting Piedmont areas for viticulture, but not yet so well-known, to discover villages and gastronomy. In this area we will organize fascinating tours by bicycle following paved roads getting through to vineyards and hazelnut trees. This tour, 550 m ascent in 45 km, starts from Canale d'Alba passing through Castellinaldo with its majestic castle, medieval Priocca, panoramic viewpoint of Magliano Alfieri, Veza d'Alba, and arrives in Montà d'Alba where it's possibile to admire its enchanting castle. Transfer by coach to Langhe. Overnight in an agriturismo.

Days 3-4: Langhe's vineyards and castles

A stay in Langhe, an area renowned for its vintage wines, castles and spectacular panoramas. This tour, 550 m ascent in 43 km, leaves Grinzane Cavour with its marvelous castle, cross charming and fine vineyards, reaches the small villages of Castiglione Falletto, Monforte d'Alba with its impressive castle, Barolo with its old town centre and the inevitable castle, the new WiMu (Wine Museum), the Barolo Museum and the rows of selected vineyards all round, La Morra and its extraordinary panoramic viewpoint then returns to Grinzane Cavour. During the track light lunches are prepared with local Langhe's recipes in renowned taverns and it will be possible enjoy refined Barolo wine tasting leaving in the van the items purchased. Return to agriturismo, dinner and overnight.

Days 5-6: Corsaglia Valley

Transfer by coach to the medium altitude mountain area, in an enchanting valley in the surroundings of Mondovì. Among the Monregalese wooded and rich in water valleys, the Corsaglia Valley is one of the most suitable for bicycle activities for scanty road traffic as well for the beauty of landscape along the way. The itinerary, 780 m ascent in 51 km, starts from late XVI century grandiose Sanctuary of Vicoforte following a regular and not difficult uphill that runs along creeks and thick forests of chestnut and beech trees, cross the small mountain villages of Corsaglia, Bossea (well-known for the caves), then returns to Vicoforte where it will be possible visit the Sanctuary. Dinner and overnight in an agriturismo. Last day, morning breakfast and transfer to Turin by coach.

NB: during the journey a coach will be at clients' disposal to carry luggage, if necessary, and all items bought after shopping.

This is just one bicycle proposal possible in Piedmont among the countless tours we can offer. Of course we are at your disposal to prepare more itineraries in case you need it.

We kindly inform you that tracks and transfers planned in this program may have some changes following the weather conditions and the availability of all services.

Several itineraries could be done by foot also, adapted according to the circumstances.

Our programs are tailored to each client's particular interests therefore services and budget will be well defined every time especially for every single client.
